

Stay Safe and Connected During COVID-19

Lighthouse professionals can help you:

- ▶ **Connect to Technology** for telehealth or social connections. Device loans, technology training or set-up. Device loan application at lcfvl.org/ccsprogram.
- ▶ **Access COVID Testing** at a testing site or in your home. We can help you find testing options, register or access needed accommodations.
- ▶ **Obtain PPE** like masks, gloves, sanitizer or personal hygiene items.

- ▶ **Access Information or Referrals.** We can answer your questions about public health guidance, or refer you to help for basic needs like food, housing, medical insurance or mental health.
